The student murdered his teacher for a failing grade, and <i>this promotes harm and violence within the school environment</i>, despite the crime happening outside the premises. This instills fear within the entire school. 	<ul style="list-style-type: none"> Promote transparency and debriefing for failing grades between teachers and students. The school can dedicate days as to when the teacher and student can talk one-on-one discussing the breakdown and computation of the learner's grades. Strengthen police inspection across the area surrounding the school to look for unlicensed and unregistered firearms.
